A MAJESTIC VISIT

Nestled on an island in the Baltic Sea amidst breathtaking natural surroundings, Engsholm Castle stands as a testament to resilience and grandeur. Though once ravaged by the Russians in 1719, this enchanting castle was resurrected into a magnificent structure by the esteemed city architect, Tore E:son Lindbergs, in 1914. Today, under the ownership of the esteemed Johnsson family, Engsholm Castle invites you to embark on a journey of unparalleled experiences that surpass your wildest imagination.

At Engsholm Castle, you can immerse yourself in a world of luxury and culinary excellence. Indulge in first-class cuisine crafted from locally sourced ingredients, savoring each bite amidst the castle's timeless charm. After a rejuvenating steamy sauna session, take a refreshing dip in the Baltic Sea or explore the enchanting forests that surround the estate.

For those seeking adventure, embark on exhilarating hunting expeditions or partake in exciting water activities offered onsite.

Engage your senses with wine or chocolate tastings, savoring the finest selections amidst the castle's opulent ambiance. Alternatively, unwind and embrace tranquility in one of our exquisite hotel rooms, where every detail has been meticulously curated to ensure a truly luxurious stay.

At Engsholm Castle, each moment promises to be an unforgettable experience, where history, nature, and luxury converge to create memories that will last a lifetime.

WHERE CULTURE MEETS NATURE

Ytterjärna hotel offers conference facilities, single rooms, double rooms and suites in a unique environment. The hotel is completely organic.

With us, you live close to the sea and with access to the Kulturhuset's rose garden and garden park. The Ekoleden hiking trail passes just outside the hotel. As a guest with us, you also have the Skyspace light installation within easy reach, as well as all of Kulturhuset's events. In Ytterjärna there are also farms, shops, restaurants and cafes, all well worth a visit during a stay at the hotel.

Nature and architecture go hand in hand: by combining color, form and ecological awareness, inspiring environments are created. The light and airy rooms at the hotel are furnished with Swedish design furniture and come in different colors. The rooms are located in a common building 30 meters from the Cultural Centre and all have their own entrance from the outside.

The restaurant serves breakfast, lunch and pastries, all prepared from organic and biodynamic ingredients, selected according to season and in close cooperation with local farms.
